

Superflow

Superflow - pop music with a funky attitude!

It's all a matter of heavy beats, funky up grooves with a little soul and stories to be told... All members of Superflow have individually come a long way with a load of different musical projects and collaborations, playing live and writing songs. But this one is their keeper, the 2018 update of what they used to be.

Band:

Benjamin Köhler - Vocals

Heiko Pfeiffer - Guitar, Trombone

Benedikt Moser - Keyboards

Tobias Bodensiek - Bass

Christoph Scherer - Percussion

Marcel Gustke - Drums
